

Camp Roberts Area

The California Army National Guard (CA ARNG) has prepared a Draft Finding of No Significant Impact (DFNSI) and Environmental Assessment (EA) for issuing a Report of Availability (ROA) of property for the Nacimiento Water Project (NWP) through the Camp Roberts Training Facility. The purpose of the Proposed Action is to provide the San Luis Obispo County Flood Control & Water Conservation District with legal access to Camp Roberts to allow the construction and operation of the approved NWP as planned and approved.

The draft FNSI is available for public review from May 27, 2008 through June 25, 2008. The draft FNSI and final EA are available for review at the NWP web site (http://www.slocounty.ca.gov/PW/NacWP/General_Project_Information/reports.htm) and at the following libraries: San Luis Obispo City-County Library, Atascadero City Library; and Paso Robles City Library. Your comments are requested no later than June 25, 2008. To obtain a copy of the FNSI or EA or to submit comments, please mail or FAX Mr. Douglas Bryceson, California Army National Guard, P.O. Box 269101, Sacramento, California 95826-9101, FAX 916-854-3643.
